

100 Software Companies in Dubai

Active Enterprise Users of React.js & Next.js Web Frameworks

LOCATION: DUBAI, UAE

TECH STACK: REACT.JS / NEXT.JS

COUNT: 100 COMPANIES

UPDATED: 2026 DIRECTORY

Directory Overview: This comprehensive directory highlights 100 leading technology platforms, software engineering agencies, global consultancies, and innovative scale-ups operating in Dubai, UAE. These companies explicitly leverage **React.js** and **Next.js** to build high-performance web applications, micro-frontends, server-side rendered portals, and scalable e-commerce hubs.

1. REGIONAL TECH UNICORNS, SCALE-UPS & DIGITAL PLATFORMS

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
1	Property Finder	PropTech & Real Estate	React.js, Next.js, Node.js	Leading real estate marketplace utilizing Next.js SSR for lightning-fast search performance and SEO optimization.
2	Careem	Super App & Mobility	React.js, React Native, TypeScript	Uber subsidiary building consumer-facing web experiences and partner portals using React micro-frontends.
3	Talabat	Food & Quick-Commerce	React.js, Next.js, Micro-frontends	Delivery Hero's MENA flagship platform using React for responsive ordering and merchant dashboards.
4	Noon	E-Commerce & Logistics	React.js, Next.js, Webpack	The region's leading shopping platform leveraging Next.js for high-volume frontend performance.
5	Bayut	Real Estate Marketplace	React.js, Next.js, GraphQL	Part of Dubizzle Group, using Next.js to serve millions of property searchers across the UAE.
6	Dubizzle	Classifieds & Tech	React.js, Redux, Next.js	Major classifieds ecosystem built on modern React stacks for instant query rendering.
7	Yalla Group	Social & Gaming Platform	React.js, WebSockets, Node.js	UAE-based tech giant operating voice-centric social platforms with rich React web management tools.
8	Chalhoub Group (Level Shoes)	Luxury Retail Tech	Next.js, React.js, Headless Commerce	Premier luxury retailer using headless Next.js architectures for ultra-fast online shopping.
9	Mondia Group	Digital Content & Telecom Tech	React.js, Next.js, REST/GraphQL	Global digital content distributor building web platforms with React and modern JavaScript.
10	ZainTech	Cloud & Enterprise Tech	React.js, Next.js, Cloud-Native	Digital solutions provider building enterprise portals and cloud consoles on React standards.

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
11	Avanza Solutions	Fintech & Smart City	React.js , Node.js , Microservices	Pioneer in banking, omnichannel fintech, and government portals built with React frameworks.
12	Fetchr	Logistics & Tech Solutions	React.js , Redux , Node.js	Tech-driven logistics startup employing React for real-time tracking and merchant dashboards.
13	Kitopi	FoodTech & Cloud Kitchens	React.js , Next.js , Microservices	Unicorn tech-enabled kitchen platform operating smart kitchen management UI on React.
14	Swvl	Mobility & Transit	React.js , React Native , Node.js	Mass transit technology company utilizing React web applications for fleet and admin consoles.
15	Tabby	Fintech & BNPL Platform	React.js , Next.js , TypeScript	Leading Buy Now Pay Later platform with checkout flows powered by Next.js and React.
16	Tamara	Fintech & Shopping	React.js , Next.js , Tailwind CSS	Fintech unicorn employing modern React and Next.js frontend tech for consumer shopping hubs.
17	Pure Health	HealthTech & Analytics	React.js , Next.js , Enterprise SaaS	Healthcare platform using React frontend architectures for patient and clinic software.
18	Cartlow	Re-Commerce Platform	React.js , Next.js , PWA	Leading re-commerce app using Next.js for scalable search and web-storefront rendering.
19	Lamsa	EdTech & Kids Content	React.js , React Native , WebGL	Educational app platform delivering interactive web dashboards and portals with React.
20	Carasti	AutoTech & Subscriptions	React.js , Next.js , Node.js	Car subscription platform built on Next.js to ensure high conversion and fast SEO load times.

2. CUSTOM SOFTWARE & PRODUCT ENGINEERING AGENCIES

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
21	SDLC Corp	Custom Software Engineering	React.js , Next.js , Node.js	Enterprise product studio specializing in Next.js web applications and serverless web builds.
22	Instinctools	Software Development Hub	React.js , Next.js , TypeScript	Global consultancy delivering high-performance full-stack web applications with React.
23	Unico Connect	Digital Product Studio	React.js , Next.js , Full-Stack JS	Specializes in building modern SaaS tools and Next.js platforms for MENA startups.

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
24	DeviceBee Technologies	App & Web Engineering	React.js , React Native , Next.js	Dubai-based software house engineering custom mobile and web portals using React.
25	Digital Gravity	Digital Agency & Tech	React.js , Next.js , Headless CMS	Full-service agency crafting high-converting React and Next.js web experiences for regional brands.
26	Technic Infotech UAE	Web & Mobile Development	React.js , Next.js , Express.js	Custom developer delivering Next.js ecommerce platforms and enterprise portals.
27	OpenXcell	Product Engineering	React.js , Next.js , Cloud Architectures	Offshore and regional development hub building modern web apps with React ecosystem.
28	ELEKS Dubai	Enterprise Software Engineering	React.js , Next.js , Microservices	Delivers complex enterprise software and frontends using optimized React framework stacks.
29	Utility	Product Strategy & Engineering	React.js , Next.js , GraphQL	Top-tier product design and engineering firm specializing in React and mobile web applications.
30	Cubix	Mobile & Web Software	React.js , Next.js , Express	Creates scalable React web applications and interactive software interfaces.
31	Intellectsoft Dubai	Enterprise Software Solutions	React.js , Next.js , Modern Web	Consultancy delivering custom enterprise software with React frontends for UAE firms.
32	Hyperlink InfoSystem	App & Web Engineering	React.js , Next.js , Node.js	Prominent development company delivering end-to-end React web platform applications.
33	Appinventiv Technologies	Digital Transformation Studio	React.js , Next.js , AWS	Enterprise software consultancy building bespoke Next.js and full-stack solutions.
34	SoftTeco	Custom Software Development	React.js , Next.js , Redux	Custom software development firm specializing in responsive React user interfaces.
35	Xicom Technologies	IT Outsourcing & Web	React.js , Next.js , MongoDB	Engineering teams focused on web application development with React and Next.js.
36	DianApps	Digital Product Agency	React.js , Next.js , Node.js	Design-driven technology studio crafting React applications for mobile and web.
37	Sparx IT Solutions	Web Development Agency	React.js , Next.js , Headless Tech	Specializes in building modern Next.js web applications and headless architecture.
38	Digis	Tech Talent & Software	React.js , Next.js , TypeScript	Software firm delivering high-tier React development teams for Dubai tech ventures.

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
39	Lumitech	Software Development Hub	React.js , Next.js , AWS	Delivers custom web portals and scalable enterprise cloud solutions with React.
40	Sigma Software Group	IT Consulting & Development	React.js , Next.js , Micro-frontends	Nordic consultancy with Dubai office building enterprise React/Next.js portals.
41	Banao Technologies	Web & Mobile Studio	React.js , Next.js , Tailwind	Agile dev firm building custom Next.js websites, ecommerce platforms, and web apps.
42	RW Infotech	Web Engineering Agency	React.js , Next.js , PHP/Node	Specialized web firm delivering performant React and Next.js storefronts.
43	Acnosoft	Web Application Services	React.js , Next.js , JavaScript	Delivers custom full-stack solutions with React frontends for regional enterprises.
44	TechGropse	Mobile & Web Tech Firm	React.js , Next.js , Express	Bespoke software team building React application workflows and SaaS portals.
45	Startbit IT Solutions	Web Platform Engineering	React.js , Next.js , Node.js	Builds robust web platforms using React, Next.js, and modern Javascript tooling.
46	TekRevol	Digital Product Studio	React.js , Next.js , REST APIs	Silicon Valley-born agency in Dubai building React web platforms for enterprises.
47	GCC Marketing	Web Design & Development	React.js , Next.js , CMS Integration	Dubai agency delivering dynamic React-driven web applications and client hubs.
48	PieGaming	iGaming & Web Tech	React.js , Next.js , WebSockets	Gaming tech firm leveraging real-time React web dashboards and player portals.
49	Technix Technology	Software & Web Studio	React.js , Next.js , Node.js	Provides full-stack engineering with focus on Next.js web optimizations.
50	Tallium Inc.	Product Engineering	React.js , Next.js , TypeScript	Custom software firm designing scalable web portals with React ecosystem.
51	CrinPro Solutions	Enterprise Web Tech	React.js , Next.js , Enterprise SaaS	Bespoke software consultancy delivering React applications for Dubai corporate clients.
52	Techlancers Middle East	Digital Solutions & Services	React.js , Next.js , Cloud	Custom software team building custom web dashboards and React client tools.
53	Code&Co	Software Engineering Studio	React.js , Next.js , Express	Product studio crafting high-speed React web applications for regional scaleups.

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
54	CodeNinjas UAE	Full-Stack Development Hub	React.js , Next.js , GraphQL	Specialized software agency engineering React/Next.js dynamic web engines.
55	Milo Solutions	Custom Software & IoT	React.js , Next.js , Node.js	Creates enterprise IoT dashboards and Next.js web portals for smart city projects.
56	Vivasoft UAE	Software Engineering Team	React.js , Next.js , TypeScript	Delivers full-stack React and Next.js development teams for UAE tech brands.
57	Innowise Group Dubai	Software Development Hub	React.js , Next.js , Microservices	International software firm crafting enterprise web applications with React.
58	ApphiTect	Web & Mobile Engineering	React.js , React Native , Node.js	Specializes in modern JavaScript platforms, building scalable React web applications.
59	Vidalico Digital	Inbound & Tech Agency	React.js , Next.js , Headless CMS	Builds high-converting Next.js frontends integrated with modern marketing tech.
60	Royex Technologies	Web & E-Commerce Agency	React.js , Next.js , Node.js	Established Dubai agency building custom Next.js eCommerce portals and web tools.

3. ENTERPRISE IT CONSULTANCIES & SYSTEM INTEGRATORS

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
61	Virtusa Dubai	Enterprise IT Services	React.js , Next.js , Microservices	Global IT services company crafting React enterprise interfaces for banking & retail.
62	Wipro Middle East	Global System Integrator	React.js , Next.js , Enterprise Cloud	Implements modern micro-frontend web architecture using React for enterprise clients.
63	Infosys UAE	Global IT Consultancy	React.js , Next.js , Modern Web	Engineers digital experience platforms and enterprise portals with React technologies.
64	TCS Middle East	IT & Business Solutions	React.js , Next.js , Cloud Architectures	Delivers massive digital transformation projects utilizing React frontend frameworks.
65	Cognizant UAE	Digital Transformation	React.js , Next.js , TypeScript	Builds modern human-centric web applications powered by Next.js and React.
66	Tech Mahindra UAE	Telecom & IT Solutions	React.js , Next.js , Enterprise SaaS	Engineers telecom and enterprise portals using modular React frontend builds.

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
67	Times World IT	Data & AI Web Platforms	React.js , Next.js , Node.js	Analytics and tech company utilizing React for interactive data visualization dashboards.
68	Aurora Digital Technologies	Enterprise Web Solutions	React.js , Next.js , Cloud Integration	Provides digital transformation consulting powered by Next.js frontend tech.
69	CODECUBE DESIGN DMCC	Digital Innovation Studio	React.js , Next.js , UI/UX	Specialized DMCC agency developing custom web portals and React platforms.
70	VaporVM	Cloud & DevOps Solutions	React.js , Next.js , AWS/Azure	Cloud consulting firm building custom cloud management portals using React.
71	Raqmiyat LLC	System Integrator & IT Services	React.js , Node.js , Enterprise Services	Leading UAE IT company building custom banking and government web applications.
72	Dicetek LLC	IT Solutions & Staffing	React.js , Next.js , Full-Stack	Deploys specialized React and Next.js engineering teams for Dubai corporate projects.
73	Atos UAE	Digital Cybersecurity & Cloud	React.js , Next.js , Enterprise IT	Global leader operating Dubai hubs that build secure enterprise web interfaces with React.
74	Eastnets	Financial Crime Tech	React.js , Redux , Java/Node	Global compliance software provider crafting fintech compliance portals on React.
75	Fluid Codes	Engineering Simulation Tech	React.js , WebGL , Node.js	Delivers technical simulation software web interfaces built with React.
76	Mindtree / LTIMindtree UAE	Global IT Services	React.js , Next.js , Cloud-Native	Delivers modern full-stack web applications for banking and retail enterprise clients.
77	HCLTech UAE	Enterprise Technology Services	React.js , Next.js , Micro-frontends	Builds high-scale digital platforms and enterprise applications using React.
78	DXC Technology Middle East	IT Enterprise Services	React.js , Next.js , Modern Web	Modernizes legacy enterprise systems into responsive React and Next.js platforms.
79	CGI Middle East	IT & Business Consulting	React.js , Next.js , API-First	Delivers robust government and corporate web platforms with React frontend technology.
80	NTT DATA Middle East	IT Services & Digital	React.js , Next.js , Enterprise SaaS	Global integrator building scalable web applications and Next.js platforms in UAE.

4. EMERGING STARTUPS, FINTECH & NICHE PRODUCT STUDIOS

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
81	Save In Gold	Fintech & Gold Trading	Next.js , React.js , Node.js	Innovative fintech company utilizing Next.js for its online bullion trading portal.
82	HD Digital Media LLC	Media Platforms & Tech	Next.js , React.js , GraphQL	Media production and digital platform building modern Next.js streaming hubs.
83	Affworld FZ LLC	AdTech & Performance Tech	React.js , Next.js , Analytics	Performance marketing tech startup utilizing React for real-time reporting tools.
84	D4 Insight	Enterprise Web & Analytics	React.js , Node.js , Next.js	Enterprise analytics consultancy building custom React administrative dashboards.
85	GSSTech Group	Banking & Enterprise Solutions	React.js , Next.js , Financial Tech	Fintech software integrator delivering specialized React applications for UAE banks.
86	Postpay	Fintech & BNPL	React.js , Next.js , API Integration	BNPL fintech offering seamless merchant checkout widgets built on React.
87	Ziina	Fintech & Peer-to-Peer Payments	React.js , React Native , Next.js	Y Combinator-backed UAE fintech using React stack for ultra-smooth web & mobile flows.
88	Pyppl	Fintech & Micro-Financials	React.js , Next.js , Mobile Web	Digital financial app deploying React web frontends for seamless user onboardings.
89	Baraka	Fintech & Investment Tech	React.js , Next.js , WebSockets	Commission-free investment platform built with React web dashboards and apps.
90	Sarwa	WealthTech & Automated Investing	React.js , Next.js , TypeScript	Leading robo-advisor and trading app utilizing React & Next.js for client portals.
91	Lean Technologies	Open Banking Infrastructure	React.js , Next.js , Node.js	Open banking platform building developer portals and drop-in SDKs in React.
92	Huspy	PropTech & Mortgages	React.js , Next.js , Node.js	Fast-growing PropTech startup leveraging Next.js to streamline mortgage journeys.
93	Stake	Real Estate Investment Tech	React.js , Next.js , Tailwind CSS	Fractional real estate investment platform engineered on Next.js frontend stack.
94	Kibsons Tech	E-Grocery & Logistics Tech	React.js , Next.js , PWA	Leading e-grocery provider utilizing high-performance React web interfaces.

#	COMPANY NAME	DOMAIN / CATEGORY	TECH STACK FOCUS	CORE ENGINEERING FOCUS
95	Nesto Tech Hub	Retail & Hypermarket Software	React.js , Next.js , Enterprise SaaS	Retail group building modern omnichannel shopping platforms with Next.js.
96	Sehteq	Health Insurance Tech	React.js , Next.js , AI/Cloud	Digital health insurance platform using React for automated claims processing portals.
97	Eureeca	Equity Crowdfunding Platform	React.js , Next.js , Financial Tech	Global equity crowdfunding platform built on React for investor dashboards.
98	Mundi Polis Tech	SaaS & Web Software	React.js , Next.js , Modern Web	Specialist software team crafting responsive SaaS application interfaces with Next.js.
99	Blink22	Startup Product Studio	React.js , Next.js , Python/Node	Software studio specializing in turning innovative ideas into React/Next.js web products.
100	Pixel38	Interactive Web & Software	React.js , Next.js , Creative Tech	Dubai design and tech agency building custom interactive web experiences with React.
